Background:

- My Great Grandmother farmed with her team of Belgium's. I grew up with her pair harness in the barn & photos of her work & accomplishments. One picture is of her in a contest, where her team was pulling against a Model T Ford... she won. Other photos include her team hitched to a wagon, piled stories high with loose hay. Her husband died young, so she & the children did all the work on the farm and raised Brown Swiss cattle in Northern California. With the stories, photos, & antiques abound, it all started my fascination with history.
- In 2000, I drove a pair of Haflinger in Ebbs, Austria. In 2005, I purchased a driving mare. We now have 6 Haflingers and 2 Icelandic's.
- Have competed at the Vineyard Classic CDE in California, Longview Lake CDE in Missouri, Walnut Hill in NY (3 times) & won 2014 Lady Wicker Phaeton Championship, Villa Louis Carriage Classic in WI, and my favorite... the CAA Carriage Festival in KY. In addition to competing and participating in many Colorado driving events.
- Own a JB Brewster wicker phaeton with 1857 stamped in the underside of the shafts. Still in search of more specifics about this amazing piece of history. Since this carriage sat for 13 years before I purchased it, wheel maintenance was 1<sup>st</sup> priority. I turned to experts & published resources to learn how to service the wheels myself. This vehicle has colling axles made by Dalzell. Modern tools helped to initially take the wheels off, but finding an antique wheel jack, Dalzell wrench, & original leather washer cutter, have made the job so easy & a joy!
- Frequent visitor to the Broadmoor Carriage Museum in Colorado Springs & find new details with each visit. I enjoy the history, mystery & beauty of antique carriages.
- Currently serving on the American Haflinger Registry (AHR) Board of Directors for the Western region and have for the past 6 years.
- AHR Youth newsletter editor & AHR Youth committee chairman.
- AHR Points & Awards committee chairman.
- Served on the Board of Directors for the Rocky Mountain Haflinger Association for over 6 years, in addition to being the Newsletter Editor for 4 years.
- Previously on the Board of Directors and Secretary for the Colorado Driving Society.
- Currently a member of CAA, ADS, AHR, and Colorado Driving Society.
- Elbert County 4-H Horse Leader.
- Articles published in the AHR "Haflinger Horse" and in the ADS "The Whip" magazine.
- John Greenall - "What Right About This Turnout?" featured my "Parasol Wicker Phaeton" in the Nov/Dec 2016 of Driving Digest.

Personal:

- Married to Bill Haszelbart, for the past 26 years. We have two children; Anna is 16 yrs and Sam 14 yrs.
- Retired from AstraZeneca, as Hospital Representative, after 30 years. Hold a Bachelor of Science degree in Business, emphasis in Marketing and minor in French.
- Enjoy riding & driving our horses, in addition to fly fishing, sewing, and working on projects around our Colorado ranch.
